3 to 4:30 p.m.

Brief presentation at 3:15 p.m.

Embassy Suites Hotel, Whispering Pines Room

706 South Milton Road, Flagstaff
6 to 7:30 p.m.

Brief presentation at 6:15 p.m.

Arizona Department of Transportation (ADOT) is seeking public comments about future improvements to Interstate Highway 17 (I-17) between the State Route (SR) 179 interchange near Sedona north to the junction with Interstate 40 (I-40) at Flagstaff, Arizona.

ADOT and the Federal Highway Administration, as lead Federal Agency, are initiating an engineering and environmental study. The overall intent of this study is to develop a long range plan for this segment of the I-17 corridor. A series of improvements will be developed to provide for greater capacity and to ensure smooth operations for the traffic volumes that are projected to occur over the next 20 to 30 years in the study area.

For additional information regarding the project or to submit comments, please contact Mary Schnack at mary.schnack@gmail.com, or toll-free at 1-866-739-7371. All comments should be received by August 8, 2007.

American with Disabilities Act (ADA): This notice may be available in an alternative format and persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Mary Schnack at the number or email listed above. Requests should be made as early as possible to allow time to arrange the accommodation. This newspaper notice is available at www.adotenvironmental.com.
